

Otto Siegel Short Bio

For a life time Otto has been coaching children and adults to live their natural genius.

- He has helped executives and entrepreneurs make quantum leaps in creating results for themselves and their teams.
- He has helped East German Army Generals unlock their personal genius when integrating to the West after the Berlin Wall came down.
- He has helped hundreds of children make jumps in their performance at school.

He is an author, speaker and Master Certified Coach. As the founder and president of Genius Coaching, LLC he partners with corporate executives and entrepreneurs to discover and leverage their natural genius with focus and fun. He studied behavioral science with Nobel Prize winner Prof. Dr. Konrad Lorenz in Munich, Germany and holds a master's degree in education, biology and chemistry.

Raving Reviews

'In my time as Program Manager in our Fortune 100 company's Leadership Development Team, Otto is one of the most gifted and entertaining facilitators I have worked with.'

Deborah Caldwell, IBM Leadership Development Program Mgr.

'Focusing on your people is an investment with a very high return.'

Michael F. Lauer, CFO/Interim CEO, Atronic Americas

'Otto's class was tremendously positive, interactive and engaging. I learned more in this one day than in many 3+ day courses.'

Monica Loomis, Oracle Corporation
